

San Antonio Taylor, asked for Cortney's hand in marriage on 12/24/2006 on bended knee in his mother's kitchen. We find it important to share that detail because at the time we were 24 year old kids just wanting to be together forever, but not truly yet understanding what it meant to be a **GODLY MAN** and a **GODLY WOMAN** after God's own heat.

To our 16 years of marriage, we have raised 4 beautiful children, Jo'Hanna, NiCatta, San Antonio II and Jaspvr. After all of these years, we have come to realize that with **GOD**, all things are possible!!! . We find peace in knowing that no marriage is perfect, but two imperfect people can most certainly live a beautiful life.

Being together through our 20's, 30's, and now 40's we've learned the true value of **TRUST**, **COMMUNICATION**, and **SERVITUDE** in our marriage. Our goal is and will always be to raise up 4 **GODLY** children that have a solid and strong foundation built by their parents and blessed by **GOD**.

*Our motto is: "A perfect marriage is just two imperfect people that **REFUSE** to give up on one another !*
